Small details, big festive energy.

Welcome to our S&C festive mini report.

Here are the last-minute ideas and little touches we can bring to life at your festive event, because a touch of whimsy goes a long way.

FIVE S&C TRENDS
For Xmas ‘27

1.

INTIMATE HOSTING

Bigger isn't always better. Brands are trading grand gestures for thoughtfully curated gatherings, where personal details, beautiful tables and exceptional hosting make guests feel truly special.

2.

NEW TRADITIONAL

Think Ralph Lauren Christmas meets enchanted English woodland. Tartan, velvet, dark woods, moss, candlelight, heritage details and a little festive magic.

3.

90’S NOSTALGIA

Christmas is going retro. From disposable cameras and CD-era aesthetics to throwback cocktails and analogue entertainment, festive celebrations are embracing the playful nostalgia of the 90s and early 00s.

4.

MER-MAS

Christmas is taking a deep dive. Pearls, shells, iridescent finishes and underwater fantasy are giving festive décor an unexpected maritime makeover.

5.

CRAFTSMAS

In an increasingly AI-generated world, handmade feels more meaningful than ever. From crafting workshops to personalised keepsakes, guests want to make, not just consume.

INTIMATE HOSTING

What we can do for your event

Tableside theatre - from cocktails mixed at your seat to chefs finishing dishes tableside

The art of hosting - from charismatic storytellers to sommeliers to tarot readers

Bespoke food and drink pairings complete with beautifully designed menus

One last surprise - a roaming dessert trolley with after-dinner treats

NEW TRADITIONAL
What we can do for your event

Enchanted woodland tablescapes, with lush moss, forest foliage, velvet ribbons and flickering candlelight.

Heritage-inspired festive bars, with rich tartans, dark woods, classic cocktails and nostalgic Christmas styling.

Garnish-your-own martini & fries station

A letter-writing wall where guests write, post and send letters to loved ones

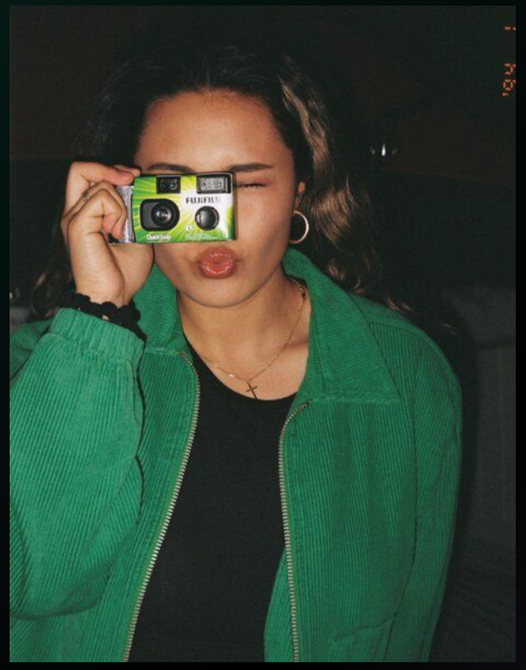

Bespoke festive gifting stations, with heritage wrapping papers, velvet ribbons and personalised finishing touches.

90S NOSTALGIA

What we can do for your event

00s pop-star-inspired décor, with shimmering metallics, disco balls and nostalgic party styling

Instant cameras and disposable cameras on every table, so guests go analogue and create memories

Personalised playlist CDs, doubling as nostalgic place settings and bespoke guest keepsakes

Reinvented jelly shots, with playful flavours, retro inspiration and contemporary presentation

MER-MAS

What we can do for your event

Oyster and champagne bars, with elegant seafood towers and decadent festive serves

Underwater-inspired décor, with shimmering textures, iridescent finishes and sculptural marine details

Coral-inspired cocktail garnishes, bringing an unexpected oceanic twist to festive drinks

Sculptural ice displays, with theatrical presentations and ocean-inspired canapés

CRAFTSMAS

What we can do for your event

Custom cocktail bottling sessions, where guests create and label their own festive serve to take home.

Hands-on crafting workshops, from leather journals to personalised festive ornaments.

Live illustrators and artists creating one-of-a-kind portraits and keepsakes for guests.

Bookable crafting and cocktail evenings, or digital how-to videos for your socials

SWEET&CHILLI

LET'S MAKE SOME MERRY.

From underwater wonderlands to nostalgic throwbacks, Christmas is anything but ordinary this year.

There's still time to sprinkle a little magic on your festive celebrations.
